1 GLOSSARY OF TERMS

‘Applicant’ means the person who has made the application for admission to Sligo College of Further Education & Training on behalf of the Learner, which may include the Learner.

‘Learner’ means a person in respect of whom the application is being made. All uses of the word throughout this Policy therefore imply ‘prospective’ as part of the interpretation. The definition also captures the legal definition of ‘Student’ within the meaning of the Education (Admission to Schools) Act 2018.

‘Gender’, in line with the definition of *“the gender ground”* in the Equal Status Act 2000, is such that *“one is male and the other is female”*. This does not prejudice any learner who is Intersex or identifies as Androgynous/Androgyne, Bigender, Demi gender, Gender Fluid, Genderqueer, Multigender, Neutrois, Non-binary, Transgender, Transsexual or otherwise.

‘Parent’ has the same meaning as in the Education Act 1998 and includes a foster parent and a guardian appointed under the Guardianship of Children Acts, 1964 to 1997.

‘Intake Group’ means the most junior year group of any course, including Learners enrolled in courses which are only one year in duration and Learners who may have already completed a course (or more than one) and who are applying to do a different course.

3 LEGAL FRAMEWORK

Mayo Sligo and Leitrim ETB was established under the Education and Training Board Act 2013 which sets out the functions of all ETBs, including to establish and maintain recognised schools, centres for education and education and training facilities in each ETB's functional area.

Centres and colleges which provide FET programmes and post-primary education are 'recognised schools' within the meaning of the Education Act 1998, where post-primary education means the Junior Certificate programme, the Leaving Certificate programme, the Leaving Certificate Vocational Programme (LCVP) or the Leaving Certificate Applied (LCA). The Education (Admission to Schools) Act 2018 and the Education (Welfare) Act 2000 place a duty on all recognised schools to prepare and publish an Admission Policy.

The Board of Management of Sligo College of Further Education & Training is a committee established under section 44 of the Education and Training Board Act 2013 and also constitutes a board of management within the meaning of the Education Act 1998.

In addition, Colleges of Further Education & Training are regarded as 'providers' under the Quality and Quality Assurance (Education and Training) Acts 2012 (as amended). As required thereunder, providers of further education and training courses must establish procedures for access, transfer, and progression of Learners in accordance with the policies and criteria for access, transfer and progression published by Quality and Qualifications Ireland (QQI).

The Education Act 1998 provides for an appeal process in the event of a refusal to admit a Learner.

4 GENERAL ADMISSION PROVISIONS

A decision on an application for admission shall be based on:

- the implementation of this Admission Policy,
- the annual Admission Notice of the Sligo College of Further Education, and the
- Information provided by the Applicant in the application for admission.

In processing an application, Sligo College of Further Education & Training shall not consider:

- 4.1 The occupation, financial status, academic ability, skills or aptitude of a Learner's Parent(s);
- 4.2 A Learner's connection to the Sligo College of Further Education & Training due to a member of his or her family attending or having previously attended the school.
- 4.3 The date and time on which an application for admission was received by the Sligo College of Further Education & Training as long as it is received during the period specified for receiving applications set out in the annual Admission Notice for the relevant academic year.

Admission to a particular course is governed by the following principle that will be assessed through the application form, and possibly an interview and/or assessment where required for particular courses:

- 4.4 That, in the professional judgement of the Sligo College of Further Education & Training, the Learner's academic ability, skills or aptitude are deemed suitable for the course to which application was made on his/her behalf. Such academic ability, skills or aptitude shall include the requirements set out at Appendix 1 of this Admission Policy.

Sligo College of Further Education & Training will consider the offer of a place to every Learner seeking admission, who meets the entry requirements for the course in the Sligo

College of Further Education & Training to which s/he has applied, as outlined in 4.4 above, unless one or more of the following applies:

- 4.5 The Learner fails to confirm in writing that s/he accepts the Code of Behaviour and s/he shall make all reasonable efforts to ensure compliance with such Code.
- 4.6 Information contained in the application is false or misleading in a material respect.

Subject to 4.5 and 4.6, where Sligo College of Further Education & Training considers an application, each application which meets the entry requirements of the course, shall be met with an offer of a place, unless the course is oversubscribed, in which case, selection criteria will be applied to each application. This is without prejudice to the requirement for all courses to have a minimum enrolment number in order to proceed.

Section 5 of this Policy addresses the selection criteria and other matters related to specific admission provisions.

Such entry requirements are used for the purpose of assessing the Learner's academic ability, skills or aptitude, in line with the authority vested in the Sligo College of Further Education & Training by section 62(e) of the Education (Admission to Schools) Act 2018. In line with section 62(7)(o) of the Education (Admission to Schools) Act 2018, admission to a course may also depend on the Learner meeting certain eligibility criteria laid down by the funding body for the course, including age.

5.1.1 **Oversubscription**

When the number of applications exceeds the number of places available, the published selection criteria as set out at section 5.1.2 below will apply and a waiting list shall be compiled, which shall remain valid only for the academic year in respect of which the applications are made. Where the Sligo College of Further Education & Training is in a position to offer further places that become available on a particular course during that

academic year, places will be offered in accordance with the order of priority in which Learners' applications have been placed on the waiting list.

For the avoidance of doubt, if an Applicant does not receive a place in the Sligo College of Further Education & Training for a given academic year, but s/he wishes to be considered for admission in the following academic year, a new application must be made during the dates specified by the Sligo College of Further Education & Training as being the period when it will accept applications.

- 5.1.2.2 The Learner's marking at interview;
- 5.1.2.3 The Learner's marking of any assessment conducted at interview or otherwise;

5.1.3 Selection process

Sligo College of Further Education & Training will apply the following process to the selection criteria in order to determine admission ranking to the Intake Group:

Applications are considered against the published selection criteria. Places will be offered in the first instance to those who meet the first criterion. Subsequently, where the Sligo College of Further Education & Training still has places available, the remaining Applicants are considered in light of the second criterion and those Applicants who meet this criterion will be offered a place by Sligo College of Further Education & Training. This process is continuously carried out until all available places have been offered and accepted.

Where two or more applications are tied in the foregoing selection process, Sligo College of Further Education & Training will apply a random lottery to assign any available places in the school, or on the waiting list, to those applications.

5.1.4 Late applications

An application received by Sligo College of Further Education & Training after the closing date published by the Sligo College of Further Education, and set out in the Admission Notice, is considered a late application for the purposes of this Admission Policy. *Students will not be able to start a course after the final admission date of 30th September in the year of proposed entry.*

Where Sligo College of Further Education & Training is oversubscribed and receives a later application for admission, that application will receive a place on the waiting list beneath Applicants whose applications were received by the Sligo College of Further Education & Training earlier than theirs. Such late applications will be placed on the waiting list in accordance with the date and time they were received by the Sligo College of Further Education, subject to section(s) 4.5 and 4.6.

5.1.5 Second/third-round offers of a place

Where an Applicant is in receipt of an offer of a place on a course within Sligo College of Further Education & Training but does not accept the offer, or the Sligo College of Further Education & Training withdraws the offer in line with the relevant provisions of this Policy, the place will be offered to the next Applicant on the waiting list in a second-round of offers. This process will continue throughout third and fourth rounds etc. until all places on the relevant course have been filled.

5.1.6 Acceptance of a place

If a Learner in respect of whom the application is made is offered a place, the Applicant will be issued with an Acceptance Form by the Sligo College of Further Education. Having received an offer of a place on the course for which s/he applied, the Applicant shall:

- 5.1.6.1** Indicate acceptance of an offer by fully completing and returning the Acceptance Form by the date set out in the Sligo College of Further Education's Admission Notice, or within 2 weeks of issuing by the Sligo College of Further Education & Training if it is a late application or if it is a second/third-round offer. This includes indicating whether or not the Learner has applied for, been offered, has accepted an offer of, or is on a waiting list for, a place on a course in another college or centre for education;
- 5.1.6.2** Completing the PLSS Data Gathering Form online, as directed by the college.
- 5.1.6.3** Arranging for the completion of any specified payment required for the particular course to which the application was made.

Failure to fully complete the foregoing by the date set out in the School's Admission Notice, or within 2 weeks of issuing by the Sligo College of Further Education & Training if it is a late application or if it is a second/third-round offer, may result in withdrawal of an offer, in line with the grounds for withdrawal of an offer, as set out below.

5.1.7 Refusal

Where a Learner in respect of whom an application has been made has not been offered a place on the particular course in Sligo College of Further Education, the Applicant will be provided in writing with:

- 5.1.7.1. The reasons that the Learner was not offered a place Sligo College of Further Education;
- 5.1.7.2. Details of the Learner's place on the waiting list, if applicable; and
- 5.1.7.3. Details of the right to appeal the decision.

As set out in 4.6, an offer of admission may not be made where:

- 5.1.7.4. The information contained in the application is false or misleading in a material respect.

5.1.8 Withdrawal of an offer

An offer of admission may be withdrawn where:

- 5.1.8.1. The information contained in the application is false or misleading in a material respect, or
- 5.1.8.2. The Applicant fails to confirm acceptance of an offer of admission and completes the Acceptance Criteria in 5.1.6 above, on or before the date set out in the Annual Admission Notice of the Sligo College of Further Education & Training for the academic year for which s/he is applying, or within 2 weeks of issuing by the Sligo College of Further Education & Training if it is a late application or if it is a second/third-round offer;

If an offer of a place is withdrawn by the Sligo College of Further Education & Training, the Learner on whose behalf the application was made shall lose her/his place on the admission list or waiting list for that academic year and any subsequent applications for the same academic year on behalf of that Applicant shall be treated as a late application in line with section 5.1.4 above.

In the event of a cancellation of a course (due to insufficient enrolment numbers, resources difficulties *etc.*) any Applicant(s) in receipt of an offer will be notified of the cancellation. In such circumstances, Applicants may be offered a place on a different course subject to a place being available therein.

5.1.9 Appeals

For information relating to an Applicant's right to appeal a decision of Sligo College of Further Education & Training regarding admission to Sligo College of Further Education & Training, see section 5.3.

5.1.10 Deferrals

Applicants who have been offered and have accepted a place on a course may elect to defer their place on the course for one year. However, such deferring does not guarantee a place in the course the following year where the course may not run the following year or may be oversubscribed, in which case the application in respect of the Learner who deferred will rank top of the selection criteria for the following year, so is likely to be offered a place, but such cannot be guaranteed.

Applicants seeking to defer should submit a written request to defer to the Admissions Office as soon as possible, but no later than the date of course commencement, except in exceptional circumstances, as will be determined by the David McGuinness. Applicants who defer will be refunded any fees paid save for the PLC Government Levy, which is not transferrable and non-refundable.

5.2. APPEALS

5.2.1. **Appeal where refusal was due to oversubscription:**

An Applicant who was refused admission because the course is oversubscribed and who wishes to appeal this decision must submit her/his appeal in writing, by completing a Section 29 Appeal Application Form, available from the Sligo College of Further Education & Training office and on the Sligo College of Further Education & Training's website at: www.sligocfe.ie/. The appeal application will be reviewed by the Board of Management of Sligo College of Further Education & Training, at Sligo College of Further Education & Training, Clarion Road, Sligo, F91 DY66 phone: 071 9202200, email: sligocfe@msletb.ie. However, if a different time period for the bringing of such an appeal is specified by the Minister for Education and Skills after the publication of this Policy, same shall apply instead.

If an Applicant is not satisfied with the decision of the Board of Management, or the Board of Management is not in a position to review the decision to refuse admission, the Applicant may apply to bring an appeal to an appeals committee established by the Minister for Education and Skills under section 29A of the Education Act 1998.

5.2.2. **Appeal where refusal was for a reason other than oversubscription:**

An Applicant who was refused admission to Sligo College of Further Education & Training, for a reason other than the Sligo College of Further Education & Training being oversubscribed and who wishes to appeal this decision may choose to put her/his appeal in writing, and must complete a Section 29 Appeal Application Form, available from the Sligo College of Further Education & Training office and on Sligo College of Further Education & Training's website. The appeal application will be reviewed by the Board of Management of Sligo College of Further Education & Training. Such an appeal must be brought within fourteen calendar days of receipt by the Applicant of the Sligo College of Further Education & Training's decision to refuse to admit. However, if a different time period for the bringing

of such an appeal is specified by the Minister for Education and Skills after the publication of this policy, same shall apply instead.

Alternatively, s/he may choose to apply to bring an appeal to an appeals committee established by the Minister for Education and Skills under section 29A of the Education Act 1998.

If an Applicant who chooses to appeal to the Board of Management is not satisfied with the decision of the Board of Management, the Applicant may also apply to bring an appeal to an appeals committee established by the Minister for Education and Skills under section 29A of the Education Act 1998.
